Reason for return

Not completely satisfied?

30 day return period

You can return your order within 30 days.

Email or give us a ring

We will send you the return instructions via email. Write your return number on the back.

Fill in the form on the back

Let us know what you'll send back and what you would like us to do. Would you like a different product? Please order it on the website and we will refund the returned item for you.

Send it back to us

Package the return properly. You can use the box the order has arrived in.

Return shipments are at your own risk. Package it properly.

Send all accessories and separate articles along in original packaging.

We will let you know when we have received your return.

Processing the return takes 1-4 working days.
